

EXPOSURE LIGHTS

Find it hard seeing in the dark?

Especially if you are doing the Exposure Lights 24hr challenge, Squirt Lube 12hr challenge or even the new 3hr E-MTB challenge; make life easier at Dirty Weekend with [Exposure Lights](#). Really see in the dark!

In conjunction with the Exposure Lights dealers in Adelaide, Exposure Lights is offering 15% off the Exposure Lights range for the Dirty Weekend riders.

With CNC bodies and circuit boards manufactured and assembled in the UK, our trust in the quality is backed up. All lights carry a two year warranty against manufacturing defects from the original purchase date to the original owner (proof of purchase is required).

Batteries also carry a two year warranty against manufacturing defects, while our LED's carry a lifetime warranty against manufacturing defects.
